Session 2 - Wednesday, May 2, 2012; 1:30p.m. – 4:30p.m.

Type of Meeting: Installers/IGA Training

Meeting Facilitator: Jim Lang and Georgina Marin

Invitees: All Local and County IGA personnel, Installers and Contractors

I. Sign-In/Attendance Sheet

II. Training Topic 1: IGA Program by Georgina Marin (1.5 hours)

How local jurisdictions operate under the IGA Program. Who has authority (State or Local jurisdiction). What information and documents are required and when. What inspectors look for (documents) on-site.

III. 5 minute break

IV. Training Topic 2: Marriage/Mod Line Connections by Jim Lang and Georgina Marin (1 hour)

Understanding proper marriage/mod line fastening, pier spacing, perimeter supports, and crossover connections. Installation variations based on various manufacturer's installation instructions, roof loads, etc.

V. 5 minute break

VI. Training Topic 3: Installation Insignia by Georgina Marin (30 minutes)

Introduction to the new installation insignia. What information is to be documented on insignia. How to affix new insignia. What buildings the insignia will be required to be affixed to.

VII. Lunch and discussions (1.5 hours). Lunch will not be provided.

VIII. Training Topic 4: Utility Testing by Jim Lang (2 hours)

How to properly perform utility testing. Utility testing requirements for mobile and manufactured homes. What inspectors are looking for during testing.

IX. Final Question and Answer Session
